Class of 1998
Essex County Vo-Tech
North 13th Street
Newark, NJ

This school year has been an exciting school year for the class of 1998. It has been a year for you to shine and prove yourselves time after time. The yearbook committee decided that the theme of this yearbook would be "a year worth looking into" and we can say without a doubt that this has certainly been a year worth looking into.

The Yearbook Committee

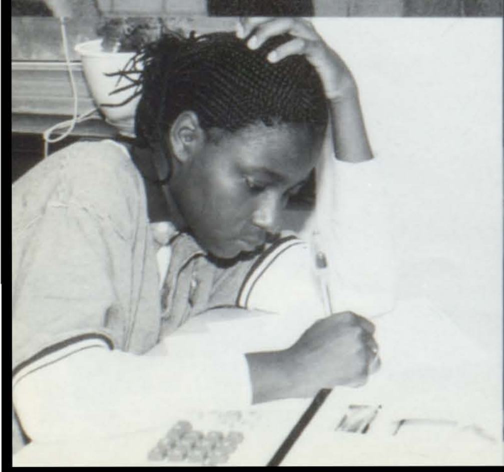

TRICK OR TREAT

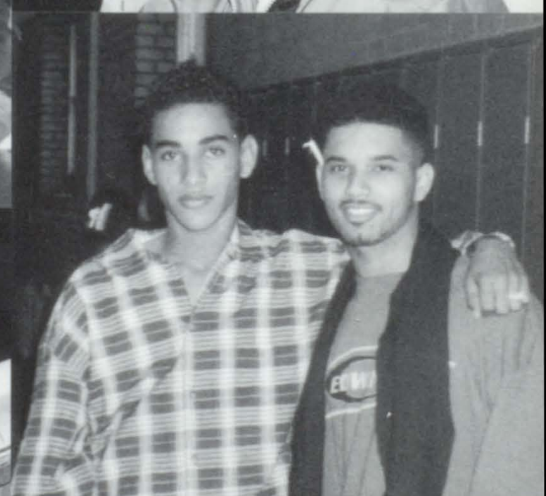

To the Class of 1998:

Graduation from high school represents one of the most important rites of passage. It is a time that society expects you to shed all of the foibles of adolescence and embrace all of the responsibilities that are associated with adulthood. It is my sincere hope that, at least in some small way, your experiences at the Essex County Vocational High School, North Thirteenth Street Campus will help facilitate one of life's most important transitions. I strongly urge you to joyously celebrate your wonderful accomplishment, and I earnestly hope that graduation will represent the beginning of a lifetime of achievement. Challenge yourself to make a difference!

INVITATIONAL CHEERLEADING COMPETITION.

On Saturday, March 7, 1998, the No. 13th Street Cougars competed in the Central Jersey All-Stars Invitational Cheerleading Competition. This was a first for our school, and the Cheerleaders were very nervous in front of the standing room only gym at Carteret H.S.

The Cougars, who were in the Cheer/Dance Division, came in like thunder and performed like lightning and immediately won the audience. The Cougars scored 214, the second highest overall score, and placed first in their division (there were 35 schools that participated). The Cheerleaders who participated in the competition were: Cephia Boyd, Alnisa Bryant, Saleena Coggins, Melany Crafton, Jeanette Lugo, Tiffany Spurling, Danielle Thorpe, Tanisha Tynes, Odessa Williams and Tiffinay Williams. Odessa Williams also won the Outstanding Cheerleader Award. CONGRATULATIONS TO THE NO. 13TH STREET CHEERLEADERS!!!

Odessa Williams with her first place award.

The winning squad.

1. How is cheering for your fellow classmates?
Cheering with my fellow classmates makes me excited and eager to do more.
2. Do you plan to continue cheering in college?
Yes.

The crowd and the competition of other teams and cheerleaders. The more they doubt us, the more energetic and eager I get to prove them wrong.

5. Is there anything that you would like to say?
The **'98** Cougar Cheerleaders were one of the best squads we ever had. It's all because of the world's best coach Ms. Ballance. We came in first place at competition. All of the cheerleaders put forth their best effort to show that we can be the best even though the boys basketball team wasn't. Also special thanks to **The Lady Cougars** for all your support.

Edward,

You are a joy to have as a son. Your father would have been very proud of you. We know that the road is rough, but keep the faith, and you will reach your goals.

We love you,
Mom & Dad

Edward,

I am real proud of you. Keep in mind that life is not an easy road. Be truthful, patient, honest, loving and kind.

The word is a lamp unto your feet and a light unto your pathway.

MOVING ON

Our Last Year in School
by Ed Gray

Our last year of school
for the crew of '98
Our last time taking gym,
shooting around.
Our last year having a Halloween Party —
The last time
having a Christmas party
and a Valentine Dance
Our last time in class
getting on teachers' nerves
while the principal gets on our nerves.
Our last year eating that same dirty school lunch.
Our last year
spending time with one another
during school and after school.
But we know after June some of us will go
back to school to further our education
or go straight to work.
Then we won't spend time with one another.
But we have finally graduated with one another
during the good times and the bad times,
that will last us a lifetime of memories
from the past
That's why I love this year and this class of '98.
I hope this will always last.
The Class of '98
